

Pupil Premium Review for 2013 to 2014

In the 2013 to 2014 financial year, we received the following funding of £900 for each child registered as eligible for free school meals at any point in the last 6 years and also £900 for any child looked after. From our enquiries 11 students were eligible for FSM and we also had 1 'looked after' child. This meant we received £10,800 in total.

This was allocated as follows:

Strategy	Cost	Impact
Trip remission	£275	All students had access to a number of educational trips run during the year including the business trip to Thorpe Park and Harry Potter trip for Project. 100% attendance to trips unless absent that day.
SEN software	£1000	PP students with particular literacy needs were able to access wordshark to improve their literacy and also to inform specialist staff of the possible need for exam access arrangements. 5 students will have access arrangements in their GCSE exams in 2015 to ensure they have an equal chance of achieving. In English 5/11 (45%) PP students are predicted to achieve 3 levels of progress in their GCSE exams.
Salary contribution for Personal Conduct Coach, able to offer 1:1 tuition, counselling, behaviour support for students and parents	£8000	All PP students received 1:1 coaching during personal study. Where appropriate students were given support by pastoral and conduct coach to adapt behaviour or boost self-image/esteem. Student feedback via questioning stated that they felt significantly happier and that their behaviour allowed them to focus on their learning. Behaviour logs reduced as the year progressed. Three PP students who were close to being permanently excluded completed PSP's resulting in a change in their behaviour which enabled them to continue their studies with us into year 11.

		<p>Student progress was tracked via progress checks and appropriate interventions put in place for underachievement. In English 5/11 PP students are predicted to achieve 3 levels of progress and in maths 4/11 PP students are predicted to make 3 levels of progress.</p>
Resources	£1525	<p>PP students who were financially unable to purchase particular resources were supported to ensure everyone had access to guides including the year 10 Science revision guide and text books throughout the year and in the lead up to the mock exams in June.</p>
